

# I CAN HELP ILA

**In recognition of the fact that an Association is only as productive as its members and that it takes committed people to make an Association work, I am willing to take my turn and do my part. I realize that I may be asked to help in a later year.**

I can best help the Association by accepting a nomination to:

- The ILA Executive Board**                       **The position of Vice President/President-Elect**

My interests lie in serving on the following committee(s):
